Kasaba Hobli, Muniraikanahalli Hobli	Mulbagal Taluk.
Byrakuru Hobli.	
Kasaba Hobli of the Kolar Taluk.	

In exercise of the powers conferred by Section 4 of the said Regulation, the Government of His Highness the Maharaja of Mysore are further pleased to make the following rules for the treatment and control of Kamblihulas (*Amasacta albistriga*). These rules shall be in force for five years from the date of notification.

RULES FOR THE TREATMENT AND CONTROL OF KAMBLIHULAS.

(*Amsacta Albistriga*).

1. As soon as the earliest mungar rains have fallen a diligent search shall be made daily in the morning or evening for the Kamblihula moths which are to be picked and placed in a vessel containing water with small quantity of kerosene floating on the surface. All moths so collected will be handed over to the patel of the village for inspection by the fieldman in charge of operations.

2. Each raiyat or landholder must arrange for daily collection of moths on his own lands.

3. The work in each village will be under the charge of a fieldman of the Agricultural Department who will keep a record of work done on each holding and of the number of moths picked.

4. In cases where raiyats or landholders neglect to carry out the above operations a report will be made to the Amildar unless delay is likely to prejudice the operations in which case the fieldman in charge of operations in the village will make the necessary arrangement to pick the moths and intimate the cost to the Amildar. The Amildar will arrange to get the work done by the raiyat concerned but if he fails this may be done by Government Agency and the expenses incurred will be charged to the raiyats or landholders concerned and collected as arrears of land revenue.

5. Payments will be made for the moths picked at rates fixed by the Director of Agriculture.

6. Picking will continue for forty-five days or until such time as in the opinion of the officer in charge there is no danger of further emergency of the moths.

7. Villages in these hoblies which are in the opinion of the Director of Agriculture not likely to suffer from the pest will be excluded from the operation of the Regulation.

8. Copies of circular giving full information with regard to the pest and the measures to be taken against it will be distributed to the raiyats of the villages concerned.

9. The Officer in charge of the operations will be stationed at a central place throughout the period during which combative measure against the pest have to be continued. He will visit the villages and will explain to the raiyats in detail the requirements for effectively dealing with the pest, the labour required the period during which operations will have to be carried on and all other information necessary for the efficient control of the pest.
